- 1 I am the sister of Ida L Woods, deceased, as well as the sister of Beatrice H White
- 2 I have concerns, based in part on recent past conduct, with respect to the future administrator of the estate
- 3 To date, there has been no accounting, ^{Roberta Strawbridge Moore} formal or informal, or inventory of insurance policies and proceeds and it appears that Strawbridge ^{Memorial Chapel} continues to be involved in the administration of the estate through its possession and control of insurance policies, without discussion of these facts with named policy beneficiaries
- 4 I have concerns that charges of the funeral home may be in excess of what was agreed to, as initially the funeral home was going to charge one amount and then said that amount would be reduced, but no information has been provided concerning the reduction No disclosures have been made to family members with respect to ongoing matters with the funeral home and the funeral home seems to be in control of insurance policies and has not disclosed policy beneficiaries
- 5 Various bank accounts of Ida L Woods have been closed or depleted without explanation and various policies of insurance unaccounted for
- 6 I have concerns that my sister, Beatrice, will be unduly influenced by her children to the detriment of the rightful heirs These concerns in part relate to the disposition of my sister's, Ida L Woods, home and car, and other possessions
- 7 I have no desire to become the administrator of the estate, but believe that an independent third party administrator ~~should be~~ appointed to protect heirs at law, including two of my brothers who are unable to care for themselves An independent administrator will help alleviate and avoid unnecessary family conflicts

- 8 While I understand that the Court, as a matter of procedure and law, is to be provided an accounting of all assets and what happens to them, I am concerned that full disclosure will not be made and neither the Court nor the heirs will know or be able to determine what has not been disclosed
- 9 I would ask that ^{Roberta STRAWBRIDGE Moore} Strawbridge Funeral Home provide a full disclosure of insurance policies or possessions including the name of the insurance company, the amount of the policy, and the listed beneficiary and disclose as well what has happened to the policies/proceeds
- 10 I realize that my sister's estate is not a large estate, but also know that my deceased sister would have wanted everyone to be treated fairly
- 11 I am not saying that my sister, Beatrice, has done anything dishonest, but do have concerns about the complete lack of information being provided and worry about matters in the future of the administration of the estate

THIS COURTS ORDER.

EXECUTOR BEATRICE H WHITE
12024 SHAKER BLVD #206
CLEVELAND, OHIO 44120

Comes now Joyce Delores Gilbert (Sister of Ida Louise Woods), in Pro Se capacity, hereby respectfully moves this Court to issue an 'Order' for an immediate conference to discuss the issue of "Fraud Upon The Court", which the Executor [Beatrice (H) White] has created through a failure to completely give this Court verification of 'all of the deceased assets' which included a car that PNC Bank sent a letter to Joyce Delores Gilbert in the name of Beatrice Hinesmon which is the Executor's legal name, as White is her birth name It appears to this requestor that the Executor is utilizing both names at her convenience in an effort to not be accountable for the deceased estate in it's totality The car of the deceased was never brought to this Courts attention and the executor is now attempting to control and liquidate the 'cash value' of an insurance policy which the deceased had on our brother Allen White who is under Psychiatrist Care at Suburban Pavilion, all of the concerns that the requestor had and recorded at the ~~June 28~~ 2013 hearing have become a reality and, without this Courts intervention a true miscarriage of justice will occur The Executor's tenure was contingent upon posting a \$25,000 cash bond which she has failed to comply with this Court's order but, has taken it upon herself to not communicate with this requestor or any member of her family and is being motivated by greed

instead of a fair division of property and assets as is warranted in an Intestate Will situation It is my desire and my goal to see that my sisters memory is not tainted or abused It is requested that a full itemized list of all property, assets, debts, land, bank accounts etc be disclosed to this Court with a date on or before May 4, 2013 (the date the deceased expired) and validation of authenticity of each accompanying document It was requested that this Court appoint an Administrator over the estate and all documents, titles, deeds, accounts, etc be forthwith turned over to the appointed administrator or in the alternative, to monitor all transactions and potential property liquidation from the date the deceased expired

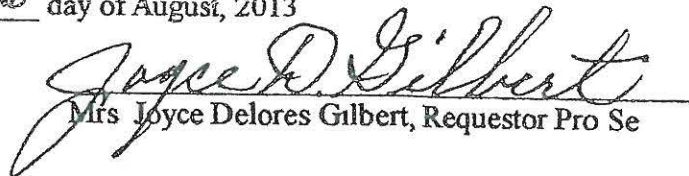

In Conclusion, a immediate hearing is not only needed but necessary so that proper justice can be obtained It is requested that all activity which the Executor has or intends to take on this estate be "Ceased" until this matter can be resolved

Respectfully submitted,
